### **...we are at the end**

What are some skills you've developed in Programming that you can take with you in the future?

understand how programming works

Thank about students taking this class in the future. What advice would you give to them about the class?

hmmmm....

## **But it's just the beginning...**

| What do you have next semester?

math

| Will you say hi in the hallways to me after this class? (I won't take offense if you don't.)

yes

| Have a great semester 2. Any words you want to leave me?

thanks
